Biologically inspired technology driven regenerative medicine
We are pleased to announce the 6th TERMIS 2021 World Congress in Maastricht: the premier event for the dissemination of cutting edge research in tissue engineering and regenerative medicine. The congress is the official World Congress of the Tissue Engineering and Regenerative Medicine International Society, Inc. (TERMIS), whose purpose is the worldwide advancement of both the science and technology of tissue engineering and regenerative medicine.

The TERMIS World Congress is held every three years, and brings together researchers, scientists, clinicians, trainees and students from both academia and industry to discuss critical developments in the field. The meeting is led by keynote speakers each day and consists of parallel technical sessions as well as poster presentations. A strong role in the meeting planning and execution will be played by the TERMIS Student and Young Investigator Section (SYIS).

The 6th World Congress will be held from November 15 to November 19, 2021 at the Maastricht Exhibition and Congress Centre (MECC) in Maastricht, the Netherlands. The MECC is located at the heart of the Maastricht Health Campus. The exhibition area, combined with the poster and break areas, will be placed at the center of the congress to provide you with maximum visibility.

This is your opportunity to be part of this unique, innovative and excellent world congress. TERMIS 2021 World Congress promises to attract leading scientists and decision makers from all over the world.

This congress will provide an excellent opportunity for you to engage with an international audience of more than 2,000 scientists, policymakers and innovators in the field of tissue engineering and regenerative medicine. It also provides you with the perfect stage to present your latest innovations to the most relevant user groups in this field.

We look forward to seeing you in Maastricht in 2021!

Yours sincerely,
on behalf of the Local Organizing Committee of 6th TERMIS 2021 World Congress

SPONSORSHIP & EXHIBITOR PROSPECTUS
APPLICATION GUIDELINES
You’re invited to participate!

University of Liège, KU Leuven, Belgium

PROF. DR. STEFAN JOCKENHOEVEL - co-chair
RWTH Aachen University, Germany
WHY SPONSOR?

Reasons why your business should be sponsoring

Put Your Business in the Spotlight
Having a presence at our congress positions you and your business as an authority in your industry. You gain respect and credibility by standing out from the pack of attendees and prominently displaying your products and marketing materials. Instead of just attending the event and looking for people to share your business card with, sponsorship brings attendees who are eager to find out about your business directly to you.

Get in front of your Target Market
The TERMIS 2021 organizers are spending time and money marketing the TERMIS 2021 World Congress to your target audience, bringing these attendees into the room. Your job is to come prepared to take full advantage of this opportunity by making sure you create eye-catching, professional signs, marketing materials and product displays that draw attendees to you.

Lead Generation and New Contacts
Be sure to have some sort of lead generation system in place during the days of the TERMIS 2021 World Congress. People will give up business cards and email addresses in exchange for a chance to win a great prize in a draw, samples or even chocolates and other promotional item giveaways.

Get Your Brand Noticed
Being featured in the program booklet of the TERMIS 2021 World Congress, on the website with your logo and having a booth at the exhibition are all great ways to leverage your sponsorship and get brand recognition.

New Clients, New Customers, New Business
Not only are the attendees of the TERMIS 2021 World Congress potential new clients and customers, so are your fellow sponsors and vendors! You can form new business partnerships, meet like-minded business professionals in complimentary businesses with which you share the same target market but are not in competition.

Give attendees a “taste” of your business
Bringing samples to the TERMIS 2021 World Congress as giveaways is a terrific way to capture the attention of attendees. Be creative and think of out-of-the-box ways to stand out. By sharing a sample or trial offer of your product, you engage attendees and increase your chances of turning them into new customers.

Market Your Business Inexpensively
We all know how much advertising your business can cost. It can run into thousands of euros or more to place an ad in a well-known local publication that will appear only once! Spending that same amount or less as a sponsor or vendor at the TERMIS 2021 World Congress is a much wiser investment that will bring a greater return on investment. Remember, you will be in the same room with hundreds of attendees who are your target market. By leveraging the TERMIS 2021 World Congress to your advantage, there will be no limit on your potential ROI.
WHAT IS THE TERMIS WORLD CONGRESS?

To accomplish its mission, the Society brings together the international community of persons engaged or interested in the field of tissue engineering and regenerative medicine and promotes education and research within the field of tissue engineering and regenerative medicine through regular meetings, publications and other forms of communication. The Society also serves as an international forum to promote the informed discussion of challenges and therapeutic benefits of the application of tissue engineering and regenerative medicine technologies.

Most importantly, the Society is committed to bringing you closer to key professionals to support your mutual understanding of the field, accelerate your research in the field and to enable you to contribute to the ultimate care of patients in this very important way. To affect this interchange of information, the Society has endorsed the journal, Tissue Engineering, as its official publication and has negotiated a reduced subscription rate for members of the TERMIS. In addition, the TERMIS publishes a quarterly newsletter for its members to keep them abreast of developments in the field.

The TERMIS World Congress will be held every three years. In the interim years the Continental Chapters will host annual meetings to promote tissue engineering and regenerative medicine research regionally.

Your participation in the TERMIS community will be rewarding for you and enriching for the Society’s existing members.
CONGRESS CHAIRS
Prof. dr. Liesbet Geris - co-chair
University of Liège. KU Leuven, Belgium
Prof. dr. Stefan Jockenhövel - co-chair

Janet Zoldan, University of Texas Austin - USA
**TOPICS**

We (members of the local organizing committee) welcome thematic symposia from members of the community. Within the context of the overarching theme, we would like to pay special attention to the following topics:

- Biofabrication
- Biomaterials
- Cells
- Clinical trials
- Enabling technologies
- Gene editing
- In silico TERM
- Industrial Translation
- Material-driven Regeneration
- Mechanisms of Action
- Mechanobiology
- Organoids
- Patients perspectives
- Preclinical validation
- Process engineering
- Regulatory affairs
- Sister societies
- Societal impact
- SYIS themes

The overarching theme of the congress is:

> “Biologically inspired technology driven regenerative medicine”.

We foresee to organize the program in a matrix where one can imagine having specific tissues and organs horizontally and technologies vertically. In addition, we will provide space for debates, which has been often popular in past TERMIS congresses.

In addition to this, we will span across the whole tissue palette, from skeletal to cardiovascular, neural (both CNS and PNS), lymphatic and interstitial, skin and muscle tissue. Specific organ sessions will be organized such as on kidney, pancreas, liver, and glands.

Finally, attention to the immune systems in the context of the recently advancing field of immune regenerative medicine will be given.
CURRENT PLENARY SPEAKERS

We have reached out to the following international high profiles as plenary speakers:

- Prof. Jennifer Elisseef, John Hopkins University
- Prof. Axel Haverich, MH Hannover
- Prof. Shruti Naik, New York University
- Prof. Noriyuki Tsumaki, Kyoto University
- Prof. Peter Zandstra, University of British Columbia
- Prof. Geoff Richards, Research Institute Davos (presidential lecture)

Student activities

Students are the future of our community. Hence, as in the tradition of TERMIS, we will support SYIS activities by facilitating as much as we can all of their activities.

We will facilitate all the activities for students and young investigators and open a continuous channel of communication with SYIS during the organization of the congress.
PREVIOUS TERMIS WORLD CONGRESSES

2006
1st TERMIS World Congress
"REGENERATE World Congress on Tissue Engineering & Regenerative Medicine"
Westin Convention Centre
Pittsburgh, PA, USA
April 25-27, 2006
Congress Chair: Alan J. Russell, PhD

2009
2nd TERMIS World Congress
"Science and Technology for Patients!"
In conjunction with the 2009 Seoul Stem Cell Symposium
Lotte Hotel World
Seoul, South Korea
August 31 – September 3, 2009
Congress Chair: Jung-Man Kim, MD PhD

2012
3rd TERMIS World Congress
"Tissue Engineering and Regenerative Medicine"
Hofburg Palace Convention Centre
Vienna, Austria
September 5-8, 2012
Congress Chair: Univ. Prof. Dr. Heinz Redl

2015
4th TERMIS World Congress
"PAST, PRESENT, FUTURE: The Evolution of Regenerative Medicine"
Boston Marriott Copley Place
Boston, Massachusetts
September 8-11, 2015
Congress Co-Chairs:
David Kaplan, PhD and Kacey Marra, PhD

2018
5th TERMIS World Congress
"Integration of Industry, Government and Academia for Regenerative Medicine"
Kyoto International Congress Centre
Kyoto, Japan
September 4-7, 2018
Congress Co-Chairs: Yasuhiko Tabata, MD PhD and Yoshiki Sawa, MD PhD

2021
MAASTRICHT
Maastricht, the oldest city in the Netherlands, lies at the heart of a Euregion of 4 million people who live in 3 countries and speak 4 languages. With a history stretching back some 2,000 years, the Romans, Spaniards, French and Germans have all left their mark in Maastricht. The energy that this generates has resulted in a city that is bursting with creativity, with researchers and with young innovators.

Maastricht has superb international facilities and regularly organizes similar congresses. The MECC convention center is situated physically on the grounds of the Maastricht Health Campus. Maastricht is a very attractive tourist destination in the Netherlands with historic buildings, trendy designer shops, beautiful churches, adventure-filled caves, tantalizing menus and welcoming café terraces. Maastricht is a dynamic, historic city which is easy to get around. Hotel and traffic infrastructure is very convenient, and Maastricht is easily accessible by plane, train and by car due to its central location in the heart of Europe.
SPONSORSHIP OPPORTUNITIES

Sponsorship opportunities are an excellent way to keep your company’s name out front. We offer Diamond, Gold, Silver and Bronze levels. In addition, you can also choose to be an Exhibitor or Advertiser only. Individual Sponsor Opportunities are available as well. Sponsorships are a critical tool in your marketing efforts and an ideal way to ensure your sales and marketing messages are seen and heard.

The TERMIS 2021 World Congress is the premier scientific event for Tissue Engineering and Regenerative Medicine in 2021. There are no continental chapter TERMIS meetings in that year.

WORLD CONGRESS OUTLINE

6th TERMIS 2021 World Congress
November 15 – November 19, 2021
Maastricht Exhibition and Congress Centre
Maastricht, the Netherlands
Approx. 2,000 participants

SPONSORING A SYMPOSIUM

Make your mark on the scientific program of TERMIS 2021 by connecting your name to one of the scientific symposia now!

The sponsoring company will receive:
- acknowledgement with name and logo in the scientific program;
- acknowledgement with logo in the sponsors list;
- possibility to place one roll up banner in the breakout room for the entire duration of the symposium.

The sponsoring company will not have to pay for the speakers expenses and additional costs. It is not possible to change the format, content or speaker line-up for the symposium.

DIAMOND Sponsor
Price: € 50,000

This sponsorship opportunity is the sure-fire way to put your company at the forefront of the TERMIS 2021 World Congress. The diamond sponsorship package includes exclusive marketing opportunities and guarantees maximum exposure. Take advantage of being our most valued sponsor with premium benefits during the congress.

Includes 20% discount on A-la-carte options (see previous page)

EXHIBIT ELEMENTS
- 20 m² (5 x 4 meter) booth space with prominent location in the Expo Hall
- Inclusion on Expo Hall map (website / in program & app)
- Booth space include electricity, 1 table, 2 chairs, Wi-Fi, standard carpet and waste basket

ACCESS
- 3 Full Congress passes
- 6 Expo-Only passes
- Additional Expo-Only access passes can be purchased for € 300 each

BRANDING AND COMMUNICATION
- Premier placement of sponsor logo and link on the TERMIS 2021 World Congress website home page
- Sponsor logo, URL and 250 word custom company description on TERMIS 2021 World Congress sponsor page
- Mobile App recognition in sponsor section of congress app
- Digital ad to be displayed throughout TERMIS 2021 World Congress

1 Includes Expo Hall and meals only. Expo-Only does not allow access to Scientific Program and Social Events. Additional Expo Passes will be available for purchase.

Please note:
All prices are in Euro (€) and excluding 21% Dutch VAT.
All booth spaces include electricity, 1 table, 2 chairs, Wi-Fi, standard carpet and waste basket.
Space allocation will be managed on a first-signed, first-served basis.
All graphics will be created and provided by the sponsor.
We’ve put together a diverse menu of sponsorship opportunities, but sometimes you crave a little something extra. Customize your sponsorship experience by purchasing à la carte enhancements. These are designed to promote brand awareness, drive booth traffic, and engage attendees. Some a la carte enhancements are available only to existing TERMIS 2021 World Congress sponsors. Availability is on a first-come, first-served basis. Submit your selections by June 1st, 2021.
